

## **Maintenance Team Member**

### **Suncook River Camp (Suncook, NH)**

**Season: May 15 – October 18 (option to arrive early / stay later)**

### **About Suncook River Camp**

Suncook River Camp is a family-owned campground offering RV sites, tent camping, and glamping accommodations along the Suncook River. We are a progressive, family-oriented classic New England campground focused on creating a relaxed, welcoming, and well-maintained environment for families, retirees, and groups of friends to enjoy nature.

### **Position Summary**

The Maintenance Work Camper supports the daily upkeep, repair, and safe operation of campground facilities, rental units, infrastructure, equipment, and grounds – with assignment/direction from campground management. This is a hands-on, generalist role, best for someone who enjoys working with their hands, has familiarity with basic power tools, can express their limitations (it's okay not to be an expert at everything!), and can deliver a positive guest experience with their interactions.

### **Key Responsibilities**

- Perform general maintenance and repairs across campground buildings, cabins, RVs, glamping units, and grounds (carpentry, plumbing, painting, and mechanical tasks)
- Provide preventative maintenance to ensure facilities & equipment are safe and functional
- Troubleshoot maintenance issues and determine appropriate repair/replacement solution
- Support pool operations by cleaning and caring for system; direct pool maintenance available for those with experience or willingness to be trained
- Respond to guest maintenance tickets in a friendly and professional manner
- Provide evening availability several nights per week to address guest needs and enforce quiet hours (as needed)
- Safely operate tools and equipment, and occasionally operate campground machinery such as golf carts, honeywagon, and tractor
- Maintain cleanliness, appearance, and overall functionality of the property
- Follow all safety procedures and campground policies

### **Schedule & Season**

- **Seasonal position:** May 15 – October 18

- Work campers may arrive up to 4 weeks early and stay through November 1 (if available)
- Set work hours, with **some evening availability** required
- Roles available: Trade Work Camper: 12 hrs/week in exchange for campsite; \$16/hr beyond 12 hrs (if available). Paid Work Camper: 30 hrs/week minimum; campsite included; all hours paid at \$16/hr.

## Housing

- Work campers must provide their own RV (travel trailer, Class C motorhome, etc.)
- Tent camping is not permitted for work campers

## Ideal Candidate

- Strong maintenance generalist (RV fixes, plumbing fixes, structure repair, painting etc) with campground or facilities experience (work camping experience is a plus)
- Comfortable working outdoors in varied weather conditions
- Calm, respectful, and confident when interacting with guests
- Safety-conscious, dependable, and able to work independently
- Willing to learn new systems and assist where needed

## Perks

- Enjoy campground amenities: Pool, sauna, hot bath house showers, dog wash station, dish wash station
- Free access to kayaks/canoes/tubes for you and your family (*some limitations on holidays/weekends to ensure guest availability*)
- Free 1x/wk onsite honeywagon service (\$20/scheduled pump after that)
- Choose 2 Suncook River Camp t-shirts, provided for shifts (*not required to wear*)
- 10% off purchases at camp store
- 20% off discount code for Friends & Family reservations
- Monthly Staff Dinner Night

*This position may evolve with seasonal needs. Additional duties may be assigned as required.
